As a valued Independent Living Skills provider, we would like to inform you that Casey Life Skills, established by Jim Casey in 1966, is transitioning to a more flexible toolkit that you can import into your own systems. Starting on April 11, 2022, this legacy online tool will no longer process new assessments. **On May 9, 2022, all data will be deleted.** To prepare for this change, please [download your historical data](#) and transition to administering assessments using the [new toolkit](#). If you have questions, please contact [Casey Life Skills](#).
