

# NPI Numbers for Licensed Professional Roster Staff

As we move into our final phases of requiring roster staff as the rendering provider for claims submission, we are requesting our provider agencies to submit rosters for their licensed staff. Magellan must receive your completed rosters no later than September 14, 2022. Please submit only your licensed professional staff using the [Organizational Behavioral Health Roster Staff](#) form to [SJGanesan@magellanhealth.com](mailto:SJGanesan@magellanhealth.com).

All claims submitted to Magellan for outpatient therapy and medication management with dates of service October 10, 2022, forward must include the rendering provider's NPI number. Claims submitted without this information for date of service October 10, 2022, will be denied.

Please reach out to your [Network Management Specialist](#) (NMS) with any questions or concerns. Your NMS is available for support.

Thank you for all you do in supporting the members of CSoC.
